
Driveway Assistance Policy

Funded by the Pawnee Nation of Oklahoma, the Department of Transportation & Safety (PNDOTS) has created this policy to establish guidelines for the Driveway Assistance Program; which was created for the purpose of helping Pawnee Nation Tribal Members with the integrity and safety of their driveways to their primary place of residence.

APPLICANT:

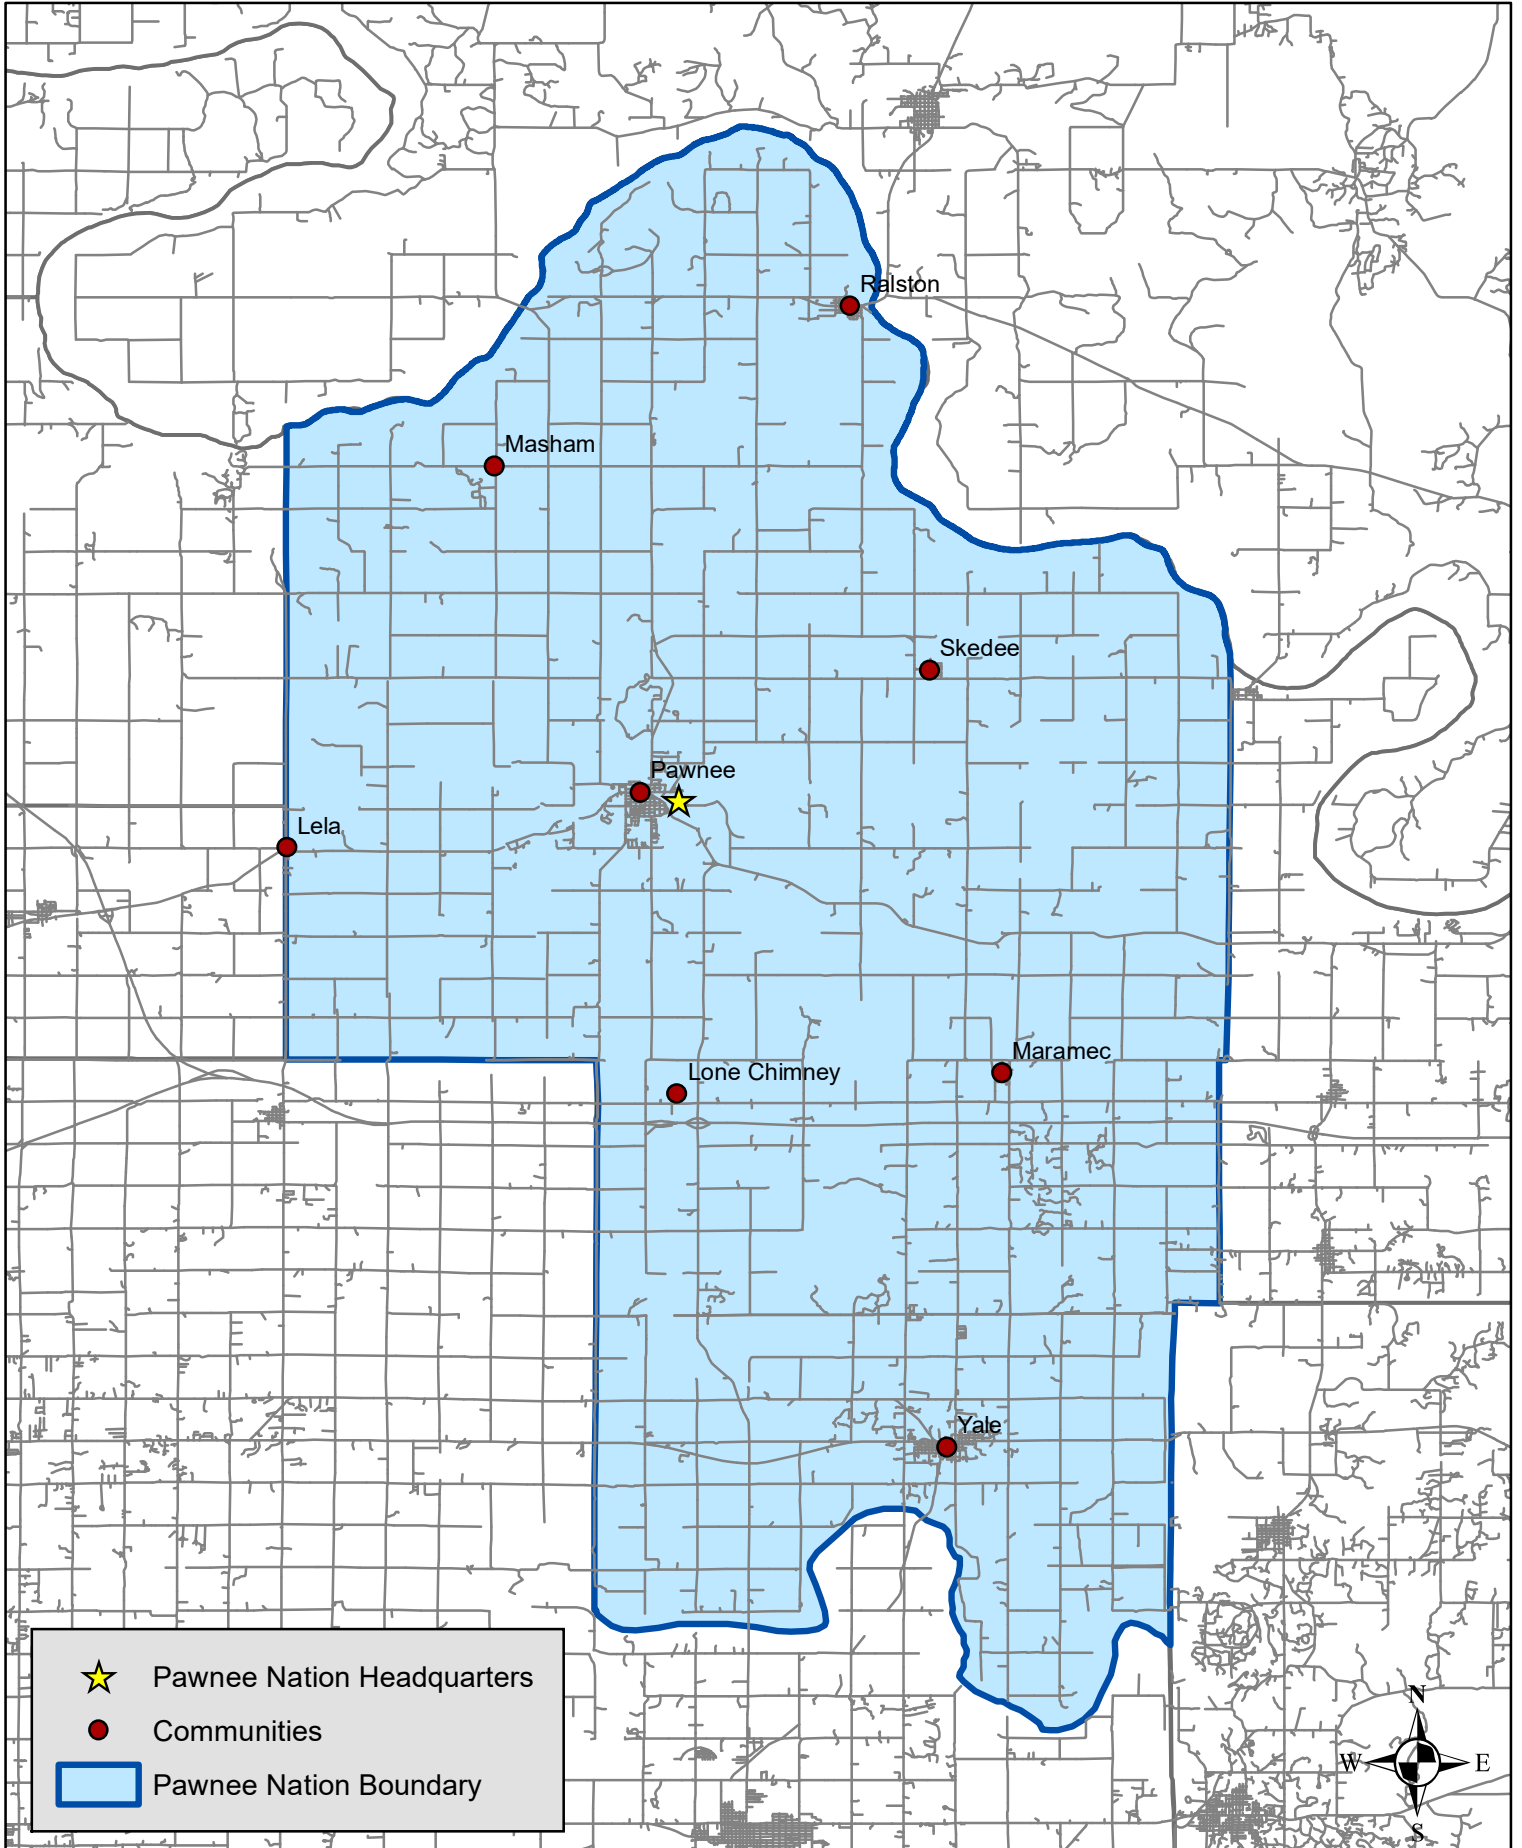

1. Must submit a completed application to PNDOTS.
2. Must be an enrolled Pawnee Nation Tribal Member.
3. Must be your primary place of residence.
4. Must be in within the Pawnee Nation Boundary (*see map*).
5. Only allowed one 8-ton load of 1½” rock, purchased by PNDOTS, every 2 years.
 - Tribal member may purchase additional rock at their own expense, PNDOTS may provide haul services at no cost until the expense threshold (\$1,250) has been reached and then additional charges will apply, at a rate established by PNDOTS.
6. Only allowed up to \$1,250 worth of work (*equipment and labor*), as established by PNDOTS, every two years.
 - Tribal member may pay an additional cost of equipment and labor for additional driveway work, at a rate established by the PNDOTS

PNDOTS may provide such services only when such funding, equipment, labor, material and time is available. PNDOTS will make every effort to accommodate and schedule with each tribal member, their project, on a case by case basis.

PNDOTS:

1. Will inspect the driveway and coordinate with the tribal member on the details of the driveway project before proceeding.
2. May provide grade and drain of driveway.
3. May provide hauling and spreading of rock.
4. May purchase one 8-ton load of 1½” rock.
5. May provide up to \$1,250 worth of work (*equipment and labor*).
6. Will charge and invoice for additional cost of equipment and labor over expense threshold amount (\$1,250), at a rate established by PNDOTS.
7. Has the right to limit the amount of time and work on a project on a case by case basis as to not interfere with required daily operations.
