

Hello,

*My name is Alexander Rohan John, and I am a graduate student at Oklahoma State University. I am doing a study on **sustainable entrepreneurship** that relates to Pawnee Nation. I would really appreciate, if you would spend a few minutes of your time answering some questions relating to this topic. You can do this by visiting:*

*I will record your responses and then I will use the information in my dissertation that looks at a sustainable development path / approach for Pawnee Nation and towards potentially helping other rural communities. Remember, this is completely voluntary. If you have any questions, you can contact me at rohanjo@okstate.edu.*

Thank You!
