

DIVISION OF NATURAL RESOURCES AND SAFETY

301 Agency Road, Pawnee, OK 74058 Phone: 918.762.3655 Fax: 918.762.6461

The following is a list of inspections for the construction of a vertical structure within the jurisdiction of the Pawnee Nation of Oklahoma. The 2021 International Building Codes are the standard for the Pawnee Nation as approved by the Resolution of the Pawnee Business Council.

- Foundation – to include ground prep, compaction, footings, rebar and pour.
- Framing/Structural
- Electrical – to include rough in, testing and final,
- Plumbing – to include rough in, testing and final,
- Mechanical – to include rough in, testing and final,
- Fire – Suppression and alarm. Will be completed by Pawnee Nation Fire Inspector
- Occupancy - Will be completed by Pawnee Nation Department of Environmental Conservation and Safety.
- Any inspections other than those listed above will be addressed on an individual basis.

Prior to any construction activity the owner/contractor must submit a Building Construction Application to the Department of Environmental Conservation and Safety by email or mail. Building Construction Application can be found on the Pawnee Nation website at: <https://pawneenation.org/wp-content/uploads/2020/12/Building-Construction-Application-for-Permit-FILLABLE.pdf>

All inspection and progress reports must be submitted to the Department of Environmental Conservation and Safety by email, mail, or hand delivery.

All horizontal construction projects, roads, bridges, parking lots, and trails are managed by the Pawnee Nation Department of Transportation and Safety.
